Equal Opportunities Policy

Date Accepted by Governing Body: September 2015

Date of last Policy review: June 2017

Date of Next Review: Summer 2018

Rationale

At The Fermain Academy we recognise our responsibility to ensure positive attitudes to diversity and difference – not only so that every student is included and not disadvantaged, but also so that they learn from the earliest age to value diversity in others and grow up making a positive contribution to society.

We understand the importance of providing a challenging and enjoyable programme of learning and development and we undertake to make reasonable adjustments to enable all to participate in our programme of learning, where all are valued and supported.

The Fermain Academy is totally committed to avoiding all forms of discrimination as set out in the UK Equality Act (2010). This applies to all students, parents/carers and staff members and includes inappropriate discrimination on the grounds of:

- gender
- age
- religion or belief
- physical ability or disability (including HIV status)
- learning ability
- other special educational needs or academic or sporting ability
- race (including colour, nationality, ethnicity, family, cultural or linguistic background)
- marital status and civil partnership
- sex
- sexual orientation
- trade union membership
- part-time and fixed-term working
- gender reassignment
- pregnancy and maternity

These factors are taken into account in the care of our community members so that care is sensitive to different needs.

We seek to ensure that the individual needs of all our students, including those who are disabled or have special education needs are met and students are included, valued and supported, and that reasonable adjustments are made for them.

We undertake to work with the school community, with parents and with other relevant agencies to ensure that any form of discriminatory behaviour is treated seriously and action is taken to prevent any repetition. This policy statement and the effectiveness of our inclusive practices at The Fermain Academy are reviewed annually by the Trust Members.

The name of the Special Needs and Disability co-ordinator (SENDCo) in The Fermain Academy is Emma Colley. The SENDCo responsibility is to ensure that 'arrangements are in place for reviewing, monitoring and evaluating the effectiveness of inclusive practices that promote and value diversity and difference; how inappropriate attitudes and practices will be challenged; and how the provision will encourage children to value and respect others'

This policy statement should be read in conjunction with school's policies on Behaviour and Discipline, Anti-bullying, Admissions, and the PSE schemes of work. Staff are also covered by The Fermain Academy Equal Opportunities Procedures, found later in this document

Procedure for Students

The Fermain Academy seeks to implement this policy statement effectively through the following actions:

- Provision of our policy statement for equal opportunities to all students, staff and parents, including those of prospective students.
- Working with outside agencies such as educational psychologists, occupational therapists, family/student medical practitioners, gender counsellors (GIREs) and mental health agencies (CAMHS) to support the endeavour of the school in serving the needs of all students, parents/carers and staff.
- Discussing, where appropriate, equal opportunities and the special needs of individuals at staff meetings
- Delivering the message of equal opportunities within PSE, the wider curriculum and through the extra-curricular programme
- Dedicating whole school and class assemblies, form time and 'circle time' to the importance of kindness, care and unconditional respect for members of the school and the wider community, and on promoting and valuing diversity and differences
- Meeting the individual needs of students, as detailed by parents/carers and by the student's previous setting, through teacher, assistant and outside agencies working together with the student and the student's parents/carers
- Monitoring the needs of all students as they progress through the school, through discussion at meetings, and written information circulated confidentially, relating to specific support for learning or emotional, social, mental, physical or other difficulties
- Discussing, reviewing, monitoring and evaluating at staff meetings and leadership meetings, the effectiveness of inclusive practices which enable all students, parent/carers and staff to access and enjoy school life
- Ensuring that the Personal and Social Educational Programme includes discussion of Equal Opportunities
- Ensuring school documents demonstrate a commitment to Equal Opportunities and avoid inappropriate discrimination of all forms

- Making appropriate provision or exemption, where feasible and desirable, for students with special dietary, dress or religious observance requirements or needs because of religious or cultural backgrounds
- Including the special needs co-ordinator and other relevant staff, in discussing student needs and progress in staff meetings and leadership meetings. On such occasions the strategy for each individual student is focused around respect for the student's needs, the need for the student to have access to all opportunities within the school and the student's right to feel confident, happy and valued.
- Delivering the PSE programme through whole school assemblies and class assemblies, in circle time and form time and within the curriculum

In the case of Racist incidents, the Racist Incident Report Form (see Appendix 1) must be filled in and handed to the Principal.
