

National Apprenticeship Week 2021

8th – 14<sup>th</sup> February 2021

The Fermain Academy always strives to raise the aspirations of its students. This includes working with school leavers (years 12 & 13) keeping them informed of the latest career developments and initiatives. The following information relating to National Apprenticeship week is relevant for all students past and present as well as parents and carers who may find the following information useful too.

Virtual Open evening 10<sup>th</sup> February. Click the link to register

The theme for this year's event - Build the Future

We are very pleased to be supporting National Apprenticeship Week (NAW) next month on the 8th - 14th February. The theme for this year is 'Build the future' focused on how employers train, retain and achieve with apprenticeships. If you're interested in taking part, download the NAW Campaign toolkit.

We'll be sharing the success stories of some of our apprentices and employer partners as well as hosting events including a Degree Apprenticeship Open Evening and a series of Employer Webinars.

Our employer webinars will cover specific programmes we offer and provide employers with an overview of how degree apprenticeships work, the funding available, plus why they would benefit from committing their time and resources to exploring the degree apprenticeship route. There are dedicated webinars exploring our Nursing, Leadership and Management, Laboratory Scientist, Health and Social Care and Digital Apprenticeship programmes. Find out more below.
